

In the near future, I will be introducing a series of bills to provide much-needed tax relief for Pennsylvanians and their families during these difficult inflationary times.

This bill will increase the Child & Dependent Care Tax Credit in Pennsylvania to match the federal credit of up to \$3,000 for one qualifying individual and \$6,000 for two more qualifying individuals over a three-year period.

Please join me in cosponsoring this legislation to provide tax relief for Pennsylvanians and their families.
